

A NEW ROUTE, A NEW AIRCRAFT!

Delta Air lines is excited to unveil our new year-round, non-stop service, between Cape Town and Atlanta. The first flight out of South Africa is due to commence on 14 December 2020, subject to government approvals.

Delta will operate a state-of-the-art Airbus A350-900 on the route. The inbound flight will stop in Johannesburg before continuing to Cape Town. Delta's flights between Johannesburg, Cape Town and Atlanta are scheduled as follows:

Departs

Johannesburg at 18h20
Cape Town at 22h10
Atlanta at 17h56

Arrives

Cape Town at 20h25
Atlanta at 07h00 (next day)
Johannesburg at 16h00 (next day)

IMPORTANT TO NOTE

- Please consult your nearest US Consulate for the latest visa and travel document requirements when travelling on Delta Air Lines or one of our partner airlines.
- Please note this is subject to change without prior notice

"As we return service to our key international markets, we are looking forward to starting this new flight from Cape Town, offering customers more opportunities to fly between South Africa and the United States" - Joe Esposito, senior VP Network Planning.
